Forwarder: **Tyrholm & Farstad AS**

VAT number: **NO-925 349 607**

Proof of origin for iron and steel products

With reference to EU Regulation 833/2014 of July 31, 2014, and additional updates,

I hereby declare that we do not import into Norway any products containing Russian iron or steel materials.

I confirm that documentation valid as proof of origin for imported goods as well as materials used can be presented upon request from either the forwarder or authorities.

The forwarder shall not be held liable in any case of claims being the result of missing proof of origin or other breach of agreement covered by the declaration.
